

Each term pupils sit a mastery curriculum to embed the knowledge and skills needed to GCSE success.

You have 20 lessons

Sit a Mastery test

Term 1 – Forces and Energy
 Term 2 – Particles
 Term 3 - Building Blocks
 Term 4 - Electricity and Space
 Term 5 – Earth Chemistry

If you achieve your Mastery target you do an extension project to develop your skills.

Gains Mastery and accompanying rewards

Achieves Mastery

If you do not achieve Mastery first time you get the opportunity to revise for 3 lessons

Resit a Mastery test

Revision pack send home to revise missing knowledge.
