

SCCH - YEAR 10 TASTER DAY - REGISTRATION

Our Taster Day booking system for 2018 is now live. There are 37 courses available, 19 A-Level and 18 vocational!

1. Students can start this process by clicking on the banner on our home page.

2. Once on the Taster Day page there are instructions on the registration process, outlining the amount of choices, transport etc

3. Students will be able to see what day your school has opted for, which they will need to know for registration purposes.

- Continue to scroll down the page to see the courses on offer and their descriptions. Click here to register.

- Students need to select their 4 sessions and complete the rest of the form.

Please note not all subjects run for all sessions so it will be a case of deciding what subjects a student wants and then adjusting sessions accordingly.

A Letter will be generated to parents/guardians just before taster week to confirm the process for the day.

My email is on the Taster Day page for any questions from teachers, students and parents to be addressed.

CUT-OFF DATE – 15th June 2018
