

## Attendance Awareness Month – March 2019 #CountMeIn

During March we will be celebrating excellent academy attendance and encouraging everyone to participate in our 'Count Me In' campaign. Please use this calendar to keep check of your attendance and punctuality. The calendar is for you to keep at home. Mr Moir and the rest of the Academy team have one too!

This year we would like to achieve the very realistic Academy attendance target of **96%** and eradicate small core of pupils arriving late. Look out for further information and updates in newsletters and on social media.

Make attendance and punctuality a priority this year. Let's create good habits that develop into important life skills and maximise every learning opportunity.

**Attend > Achieve > Succeed!**
