Policy D7 Trust admissions

Academies Trust

1. **Purpose**

- 1.1 The purpose of this document is to set out the Trust's policy and procedure for the admission of pupils/students to its academies. Admissions policy and procedure is governed by the Funding Agreement between the Trust and the Secretary of State and is in accordance with admissions law. and the Department for Education Codes of Practice (specifically, the School Admissions Code and the School Admissions Appeals Code).
- 1.2 This policy applies to all applications for in-year admission and to applications for admission from September 2019 made in accordance with the coordinated admissions rounds.

2. General principles

- 2.1 Each academy in the Trust is inclusive and welcomes all applications for admission.
- 2.2 Each academy has a Published Admissions Number (PAN), which relates only to the normal point of entry to the academy – i.e. Reception Year for primary/infant academies and Year 7 for secondary academies. In the case of primary/infant academies, the PAN complies with the statutory infant class size limit for Key Stage 1.
- 2.3 Admissions to year groups without a PAN will be based upon the prejudice to (a) the provision of education and (b) the efficient use of resources. An admissions number for Year 1-6 (for primary/infant academies) and Years 8-11 (for secondary academies) is identified in order to inform the decisions of each academy's Local Board Admissions Sub-Committee when it receives applications for in-year admission to join one of these groups.
- 2.4 Each academy participates in the relevant Local Authority's coordinated scheme for admission to the normal point of entry to the academy. Applications for places outside the normal admissions round are administered on behalf of the Trust by the relevant Local Authority.
- 2.5 Admission to any of the Trust's academies is not dependent on any ability test of voluntary financial contribution.
- 2.6 There are over-subscription criteria which are applied where the number of applications for admission is greater than the PAN or the admissions number for the year group.
- 2.7 Children with Education Health Care Plans naming an individual academy in the Trust must be admitted and will count towards that PAN if the information is available before the offer date.
- 2.8 As required by legislation, Children in Care or who were in public care and have since been adopted or fostered by relatives will be admitted as first priority (Looked After Children and Previously Looked after Children).
- 2.9 There is a defined priority admission area for each academy in the Trust (Annex 1), but there is no guarantee of a place for children living within this area. Each academy will admit from outside this area if there are spaces available. The admission area is sometimes known as the community area or the catchment area.
- 2.10 Please note that no priority is given to children attending a nursery attached to an academy in the Trust; therefore an application must be submitted for those children attending the nursery.

3. **Admissions arrangements**

3.1 Normal admissions round

- 3.1.1 Most pupils/students join an academy in the Trust at the normal point of entry to the academy (i.e. Reception Year for primary/infant academies and Year 7 for secondary academies). Applications should be made in accordance with the relevant Local Authority's coordinated admissions arrangements and should, preferably, be made via the relevant website - please see Annex 2 for contact details
- 3.1.2 Further information about the admissions process, a link to the application form and the deadline dates for each year of entry are available on each academy's website.
- The coordinated admissions arrangements are non-preferential: applicants can make up to three choices based on their preferences, and they are placed on the list of all of the schools they name as a preference, but no reference is made to whether each school is their first, second or third choice.
- 3.1.4 Each application is validated, and oversubscription criteria are assigned, before ranking the applications as per the Academy's oversubscription criteria.
- 3.1.5 The rankings are considered and agreed by each academy's Local Board Admissions Sub-Committee prior to being returned to the Local Authority in accordance with the published deadlines. The relevant Admissions Team then sort the data for all schools and generate a list of children who have been allocated a place at each academy.

3.2 In year admissions

- 3.2.1 The administration of in year admissions is carried out on behalf of the Trust by the relevant Local Authority. Pupils/students and families wishing to apply for a place outside the normal admissions round should apply directly to the relevant Local Authority and further information about how to do this is available on each academy's website.
- The relevant Local Authority Admissions Team then validates and (in instances where the number of applications for in year admission is greater than the number of places) assigns the oversubscription criteria for each application. The application is then considered by the Academy's Local Board Admissions Sub-Committee.
- The applicant will then receive either written confirmation of an offer or will be notified that the 3.2.3 admission is declined due to the prejudice to the efficient education of the pupils in the year group and the efficient use of resources. at that particular academy.

3.3 Challenging behaviour

- 3.3.1 We will not refuse to admit a child on behavioural grounds in the normal admissions round or at any point in the normal year of entry. We may refuse admission in certain cases where the specific criteria listed in the School Admissions Code (paragraph 3.8) apply, i.e. where section 87 of the School Standards and Framework Act 1998 is engaged.
- 3.3.2 We may refuse admission for an in-year applicant for a year group that isn't the normal point of entry, only in such a case that we have good reason to believe that the child may display challenging behaviour that may adversely affect the provision we can offer. In this case, we will refer these pupils to the Fair Access Protocol. We will not refuse admission on these grounds to looked after children, previously looked after children and children with EHC plans listing the school.

3.4 Fair Access Protocol

We participate in the relevant local authority Fair Access Protocol. This helps ensure that all 3.4.1 children, including those who are unplaced and vulnerable, or having difficulty in securing a school place in-year, get access to a school place as quickly as possible.

Definitions and details 4.

4.1 Admission: Primary / infant academies

4.1.1 Compulsory school age

It is the policy of the Trust that all children are admitted full time from September in the academic (i) year in which they have their fifth birthday. However, parents may request that their child attends on a part-time basis or to defer their start date until later in the school year but not beyond compulsory school age (ie the start of the school term following their fifth birthday) and not beyond the start of term 5 / summer term (if the child does not start school by the beginning of term 5 / summer term, the parents will need to reapply for a school place for the following school year); such decisions will be made in accordance with the table below:

| Child's fifth birthday | Start of term 1 | Start of term 3 | Start of term 5 |
|---|--------------------------|--------------------------|--------------------------|
| between | (Autumn Term) | (Spring Term) | (Summer Term) |
| 1st September – 31st | May attend full or part- | Must attend full-time | Must attend full-time |
| December | time | | |
| 1 st January – 31 st | May attend full or part- | May attend full or part- | Must attend full-time |
| March | time | time | |
| 1 st April – 31 st August | May attend full or part- | May attend full or part- | May attend full or part- |
| | time | time | time |

- (ii) Parents requesting part-time attendance or deferred entry must first contact the Principal to discuss the admission arrangements for the child.
- 4.1.2 Requests for admission outside the normal age group summer born children starting school for the first time
- (i) Summer born children (born between 1st April and 31st August) are not required to start school until a full year after they could have started and will normally join Year 1. Some parents, however, may request their child be admitted out of their normal age group and start in Reception Year rather than Year 1 when they reach school age. Parents who are considering making a request for an out of age group admission (also known as delayed entry) should first visit the academy to discuss this with the Principal.
- To request admission outside of a child's normal age group, the following process must be followed: (ii)
 - An application should be submitted for the normal age group (i.e. Reception Year) as part of the coordinated admissions round in accordance with the published deadlines (normally mid-January);
 - At the same time, a request should be submitted in writing to the Admissions Team at the relevant Local Authority (see Annex A) explaining why the child should be taught out of the age group and providing information in support of the request;
 - The written submission should make it clear whether the request is for each of the preferred schools:
 - The Local Authority will forward any requests received to the Trust.
- (iii) The Academy's Admissions Sub-Committee will consider the request carefully, also taking into account the advice of the Principal of the academy. They will consider whether it is in the child's best interests to start in Reception Year or Year 1 when they start school.

- If the out of age group request is agreed (ie the Admissions Sub-Committee believes that it is in the (iv) child's best interests to start in Reception Year when they start school), the application for starting school as part of the normal age group will be withdrawn, and the parent must submit a new application as part of the coordinated admissions process the following year.
- If the out of age group request is refused (ie the Admissions Sub-Committee believes that it is in the (v) child's best interests to start in Year 1 when they start school), the parent will need to decide whether to accept an offer of place for the normal age group or decline it. If it is declined, the parent must submit an application for in year admission to join Year 1 for the start of the next school year. There is no right of appeal for this decision.

4.2 Admission area

4.2.1 The priority admission area (also known as community area or catchment area) for each academy in the Trust is indicated by the maps in Annex 2.

4.6 Children of staff

- Applications for the children of staff must be submitted by the qualifying staff member. Applicants 4.6.1 must also complete a Supplementary Information Form (annex 3), available from the academy website, and submit this online or to the relevant academy office.

- 6.1 Tie breaker (academies a-i): If there are more children who qualify for a place than places available, places will be allocated to students living closest to the Academy (using the shortest distance from home to school measured using a straight line). If, after all of the relevant criteria have been applied, two applicants cannot be separated for a final place, the Trust will use random allocation to determine the property for the remaining place.
- 6.2 Tie breaker (academies j-o): If there are more children who qualify for a place than places available, places will be allocated to pupils living closest to the academy (using the shortest distance from home to school using a straight-line distance). All distances are measured by a straight line from the academy to the child's home address, using Ordnance Survey address point data from a central point in each building. If, after all of the relevant criteria have been applied, two applicants cannot be separated for a final place, the Trust will use random allocation to determine the priority for the remaining place.

7. Closing date for applications

(i) The closing date for applications is 31 October for secondary academies and 15 January for primary academies. Late applications (submitted by 1 February for secondary academies and 15 March for primary academies) will only be considered as if on time if there is a good reason which can be demonstrated by independent supporting evidence. Late applications without a good reason are ranked using the same oversubscription criteria but follow all those submitted on time.

8. **Published Admissions Number**

- 8.1 The PAN is the number of school places in the relevant age group (or the year group associated with the normal point of entry to the academy) i.e. Reception Year for primary/infant academies and Year 7 for secondary academies.
- 8.2 The PAN for each academy in the Trust is:

| Primary Academy | Year R (PAN) |

9. Waiting lists

- 9.1 As required by the current School Admissions Code, the relevant Local Authority, on behalf of each academy in the Trust, will maintain a waiting list for unsuccessful applicants.
- 9.2 Details of how a parent/carer may ask for his or her child's name to be placed on a waiting list for the relevant year group following an unsuccessful application are available from the relevant Local Authority Admissions Team or on the Local Authority website (see Annex 2 for details).
- 9.3 Parents who appeal following an unsuccessful application will automatically be added to the waiting list.
- 9.4 A child's position on the waiting list will be determined in accordance with the academy's admissions oversubscription criteria. When the academy is able to offer a place without prejudicing the effective education of pupils or the effective use of resources at the academy, or for year groups with a PAN when a place becomes vacant, they will be allocated to children on the waiting list in accordance with the oversubscription criteria and **not** based on the date on which the application has been made. Please note that Looked After Children, Previously Looked After Children and those allocated a place at the academy in accordance with the Fair Access Protocol take precedence over those on the waiting list.
- 9.5 Where it is brought to the academy's attention that a child of compulsory school age is being kept out of school until an admission place arises at their preferred academy, the local authority will be informed via its 'Children Missing Education' procedures.

10. **Appeals**

10.1 If the Academy has more applications than places, parents whose child has not been allocated a place may appeal against the decision to an independent appeal panel. The grounds for appeal must be set out in writing. Details of how to appeal, and the associated deadlines, can be found on each academy's website.
